## 2009 Nutcracker Costume, Hair & Make-Up Requirements

All costumes for the Nutcracker are rented to performers. If you did not yet receive your costume, you will need to arrange to come by the dance academy to pick one up. Costumes should be kept and worn for dress rehearsal and performances only – these are not for personal use! Parents are responsible for the care of rented costumes. Damaged or lost costumes will be charged full replacement cost. Costumes must be returned to the academy on Friday, December 4<sup>th</sup> between 3:30 – 5:30 p.m.

All dancers are required to wear a nude tank or camisole leotard under their costumes for sanitary purposes. Other colors are acceptable if they do not show through the costume. Nude leotards may be ordered from the dance academy if needed. Below are the remaining costume requirements to accompany costumes. Tights need to be ordered from the dance academy to insure consistent color. Deadline to order tights, shoes and leotards is Saturday, November 7<sup>th</sup> to insure delivery by dress rehearsal!

**Girls and Women’s Make-up:** Mascara, eyeliner, eye shadow, blush and lipstick. Soloists will have specialists’ do make-up. All soloists should wear crystal stud earrings.

**Boys and Men’s Make-up (No Groaning! Necessary to avoid looking washed out on stage!):** Mascara, eyebrow pencil for blondes, blush and masculine tone lipstick. If you need help on this, let us know.

**\*Fathers Costume:** Black tuxedo or dark suit, vest (optional), white collarless shirt (regular white shirt can have collar cut off – we’ll cut if you prefer), cravat (we’ll provide), dark shoes and socks to match suit.
