Its goals are to educate the community on the merits of performing arts and offer pre-professional training and performance opportunities to all dancers. ## Class and Nutcracker Information

Below is a list of the classes Dream Pointe offers for dancers wishing to perform in its annual recital and Nutcracker. Levels II and above are by invitation only. Classes are listed by age and ability with Level I (beginning) through Level V (advanced). For classes other than ballet, please see Starlite Express Dance Academy's class schedule available at the dance academy. Since Dream Pointe is a separate entity from Starlite, all registration, tuition and costume payments must be made separately to Dream Pointe. Please see reverse side for tuition information.

In order to participate in the Nutcracker, one member of each Dream Pointe ballet student's family is required to serve as a volunteer. Dancers may take ballet classes without participating in the Nutcracker. The 2009 Nutcracker will be held Thanksgiving weekend at the Ogden Peery Egyptian Theatre due to construction at the high school. Students enrolling in the fall will have regular technique classes during the week and will learn Nutcracker choreography and rehearse on Saturdays September through November. Auditions for all roles will be held the first week in August. Those missing auditions may still participate by contacting the dance academy for available roles. Participation deadline for the Nutcracker is September 15<sup>th</sup>. Nutcracker participation is separate from ballet classes. Nutcracker main dancing roles are reserved for Dream Pointe Ballet Company members only and must attend mandatory choreography rehearsals during August! A detailed rehearsal schedule will be posted on our website at [www.dreampointeballet.org](http://www.dreampointeballet.org) following auditions. A Nutcracker participation fee will be required to cover Saturday rehearsals, costumes and insurance (see reverse side for fees). Nutcracker fees are due the first rehearsal in September. All ballet classes listed below will perform in the May recital except those classes marked with an asterick(\*), which may be enrolled in year-round. Deadline to participate in the recital is January 31<sup>st</sup>.
