## Class and Nutcracker Information

Below is a list of the classes Dream Pointe offers for dancers wishing to perform in its annual recital and Nutcracker. Levels II and above are by invitation only. Classes are listed by age and ability with Level I (beginning) through Level V (advanced). For classes other than ballet, please see Starlite Express Dance Academy’s class schedule available at the dance academy. Since Dream Pointe is a separate entity from Starlite, all registration, tuition and costume payments must be made separately to Dream Pointe. Please see reverse side for tuition information.

In order to participate in the Nutcracker, students and family are required to volunteer as needed. Dancers enrolling are expected to perform in the Nutcracker as choreography will be taught during class September – November. All classes will learn two dances in The Nutcracker. The 2010 Nutcracker is tentatively scheduled for Thanksgiving weekend – time and place to be announced. Auditions for all roles will be held the first week in August. Those missing auditions may still participate by contacting the dance academy for available roles. Participation deadline for the Nutcracker is September 15<sup>th</sup>. Nutcracker main dancing roles must attend mandatory rehearsals during August! A detailed rehearsal schedule will be posted on our website at [www.dreampointeballet.org](http://www.dreampointeballet.org) following auditions. A Nutcracker participation fee will be required to cover Saturday rehearsals, costumes and insurance (see reverse side for fees). Nutcracker fees are due the first class in September. All ballet classes listed below will perform in the May recital except those classes marked with an asterick(\*), which may be enrolled in year-round. Deadline to participate in the recital is January 31<sup>st</sup>.
